General Assembly GRIBOI

ABSTRACT GUIDELINES

Abstracts must be submitted in English using **ABSTRACTS_SARDINIA SPINE 2021...and stroke Joint meeting/30th Griboi** as object of the email. The email address to which send the abstract is segreteria@eventiegressi.net no later than July 23, 2021.

Please follow carefully the instructions for abstract layout and submission, as follows:

1. Please specify the abstract title.
The title must begin with a capital letter followed by lower case letters. Use capital and lowercase letters as appropriate for abbreviations in title (e.g.: CSP).
The title is limited to a maximum of 500 characters. The character counter will indicate if you have exceeded this limit.
2. Please provide the data of the co-authors (name, affiliations).
Ensure that all author information is included and entered correctly.
3. Please provide the abstract body text.
It is limited to a maximum of 3000 characters. The character counter will indicate if you have exceeded this limit.
The body must be divided into four sections.
 - Purpose – a brief statement of the report's purpose;
 - Materials and Methods – numbers of subjects, procedures performed, analysis, methods;
 - Results – major findings (for case reports these last two sections are replaced by summary of cases(s);
 - Conclusion – a one or two sentence statement resulted from the report.

Deadline for submission is July 23, 2021.

Submitters will be notified if their work has been accepted starting from July 30 2021. The decision of accepted abstracts is at the discretion of the scientific program committee.

Main authors of accepted abstracts will be provided with free registration.

Should you require any further information please do not hesitate to contact the Congress Secretariat to segreteria@eventiegressi.net.

Accreditation and Certificate of Attendance

The **SARDINIA SPINE 2021...and stroke JOINT MEETING** Congress has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME) with CME Credits (ECMEC's). Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

Recognition of UEMS-EACCME® accreditation

Since the UEMS-EACCME® is an institution of the UEMS which formally represents European countries, its credits are recognised by National Accreditation Authorities in Europe. As UEMS-EACCME® accreditation concerns only EU-wide and international CME-CPD activities, it is not competitive but rather complementary to the competence and activities of National Accreditation Authorities.

Recognition of UEMS-EACCME® accreditation for American Healthcare professionals

Through an agreement between the Union Européenne des Médecins Spécialistes and the American Medical Association, physicians may convert EACCME® credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME® credit to AMA credit can be found at www.ama-assn.org/education/earn-credit-participation-international-activities.

Live educational activities, occurring outside of Canada, recognised by the UEMS-EACCME® for ECMEC®s are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.
